life which he has imagined,

He will meet with success
unexpected in common hours.

Things must be quieting down a bit, and teachers must be appreciated more and more. There is one who teaches everyone.

We wish to dedicate this year to him in reverent awe, not as a saint. Yet some teachers are saints.

SPORTS

FOOTBALL

This year's football season was a memorable one for the Morris County football team. As the season progressed, the team's performance improved, and they finished the year with a record of 8-3. This was the first time since 1971 that the Morris County football team had finished the season with a winning record. The team's success was due to a combination of factors, including a strong defense, a solid offense, and a coaching staff that was dedicated to the team's success. The team's success was also a result of the hard work and dedication of the players, who were committed to making the team a success. The team's success was a testament to the hard work and dedication of the players and the coaching staff, and it was a source of pride for the entire school community.

Soccer, it would seem, has finally become a popular sport at Moorestown High. This year's Varsity squad enjoyed being one of only six teams in the state to remain undefeated (until the final game with Holy Cross). Weber and Dave Sonne together virtually all defensive and offensive records for Moorestown. Sonne captured a South Jersey scoring record with 28 goals. Yes, it looks like soccer will be going far at Moorestown High.

1972 was another championship year for the girls' field hockey team. After winning the Burlington County title for the third consecutive year, this exceptional team, under the expert coaching of Veronica Jones and assistant coach Barbara Esbjornson, was eliminated two games away from the state championship. Their regular season record of 71 goals scored to their opponents 11 attests to the fact that this team was truly one of Moorestown's finest—an aggressive but sportsman like group of proven excellence

This year, the M... High School Swim Team compiled another outstanding record of 10 wins and no losses. Under the leadership of Coach Al Thomas and co-captains Ken Kennedy and Curt McWilliams, the team has the strength and potential this year to repeat as State Champions. Outstanding performances were turned in by seniors Jim Storey in the butterfly and Scott Daubert in diving, junior Wayne Miller in freestyle, sophomores Rick Clark in backstroke, and George Mayer, long distance freestyle and freshman Bret Pulley, diving. Fine performances have also been achieved by Steve Porter, Joe Call, Brad Porter, and B. Kilroy. The team has worked hard and deserves a lot of credit for their truly outstanding record.

To begin with, you have to understand that when swimming down the pool, each girl thinks to herself, my mind is in control of the speed in my arms and legs. I can beat her. I will cream her. You definitely have to get psyched to win [especially in the luxurious Camden "Y"]

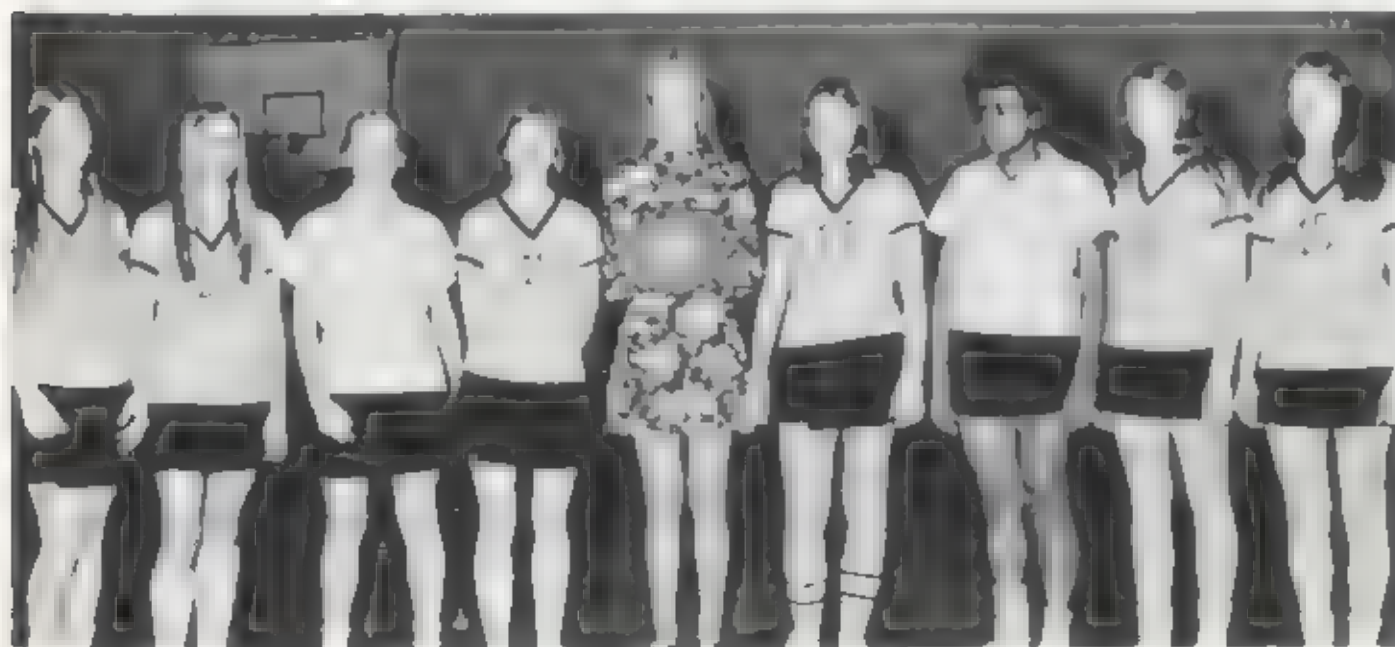

This year the girls definitely did psych themselves to win. It was the first year for swimming cuts which was sad but necessary. Under the coaching of Mrs. Thomas, we grew together as a team.

With the help of "smiley" faces, Gertie Goose, the funny freshman, the subdued sophomore, jiving juniors (Yes, you Mary Ellen) and 5 seniors, we worked together and had a good season.

The "women's" basketball team, led by their liberated coach, Ms. Filsinger, had a tough season and did not do as well as they had anticipated. Even though the score was low at times, it never brought down the team spirit. The team always returned to the court with a defiant cry of, "Let's go—Let's fight—Let's win and SCORE!"

Let us spend one day as
deliberately as Nature,

And not be thrown off the track by every nutshell
and misquito's wing that falls on the rails.

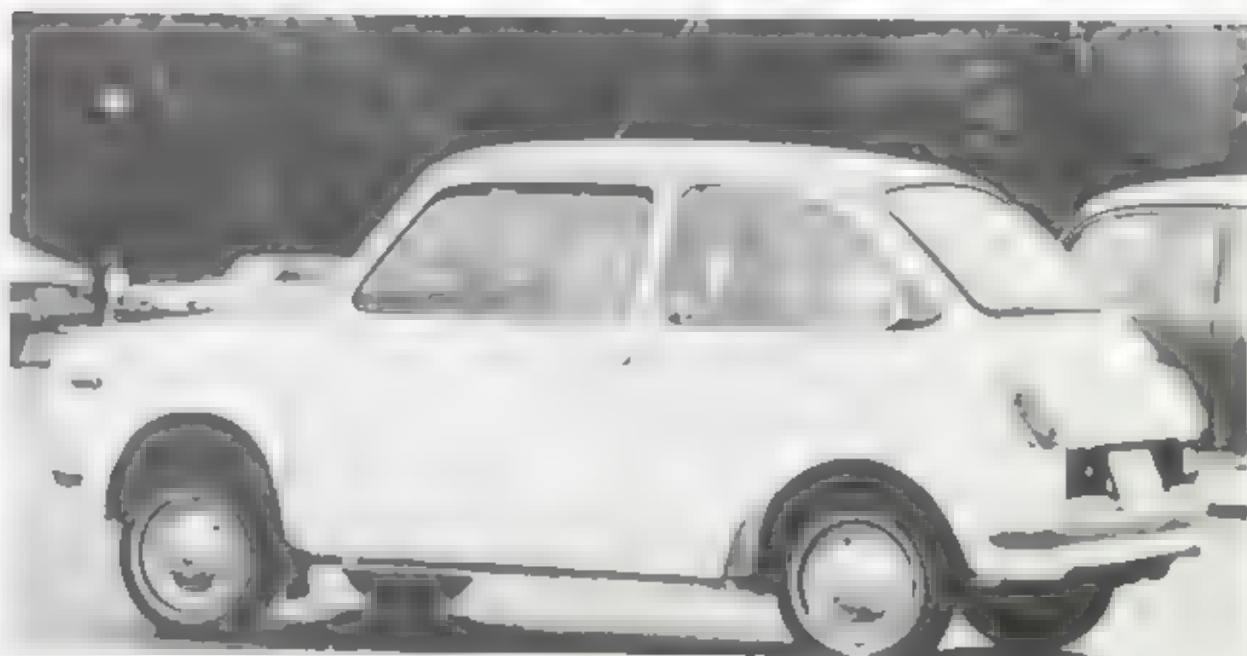

Let us rise early and fast, or break fast gently without perturbation.

LIBRARY ASSISTANTS

The library assistants work hard trying to keep the library's Dewey Decimal System in order, but there are only a few of them and over one thousand students, so it is not surprising that it is a losing battle.

GERMAN LANGUAGES CLUB

The German Language Club
 is a club for students who
 are interested in learning
 the German language. They
 meet every Tuesday and
 Wednesday. They are
 singing, studying, and
 drinking hot chocolate.

Over the months
 they have learned how
 to say "Good morning"
 and "Good night". And
 "Das ist wunderbar".

SPANISH CLUB

The Spanish club has had a strong beginning. The objective of this club is to help students learn Spanish culture.

LATIN CLUB

Like the way ancient Rome under the leadership of its kings, emperors, and emperors spread out to rule over all Europe, so does the modern day MHS Latin Club now infiltrate the various classes, gaining many eager members. The excitement and thrill of these indefatigable Latinians lures them. We did not complete our year without first re-building the Trojan horse, attending a few Roman dramas, dining in villas all over town, racing chariots, swimming, watching films, and ending it all with our traditional banquet fit for the gods. As we Latin seniors turn our chariots and ride off, the whole club would like to bid farewell to a great year and to thank our *magister et auctor* David Rhody for all he has done. Without him, many of our activities would not have been possible. *Vale et ave, Caesar!*

[illegible]

My dear Mother I have just received your letter of the 11th inst. and am glad to hear from you. I am well and hope this finds you the same. I have not much news to write at present.

I have been thinking much lately of the future and how I shall spend my life. I feel that I must do something to make my life count. I have decided to devote myself to the study of the history of our country and to the promotion of the welfare of our people.
